Love LA is part of a nation-wide movement of missionaries, houses of prayer and local churches who are crying out to God for the awakening of the church and the re-evangelization of America.

We believe that God is bringing a reformation to the churches of America. Calling us back to first love intimacy and mission. Urging us to humble ourselves, walk in a culture of honor and collaborate in unprecedented ways to build the Kingdom of God.

We believe that God is raising up day and night worship and prayer to establish a dwelling place for His presence and shift the spiritual atmosphere of our cities. From the midst of that place of holy encounter, we will be sent to every area of Los Angeles to demonstrate and proclaim the Kingdom of God.

As people respond to God's grace, we will engage in life on life discipleship teaching new believers to obey Jesus and walk in a lifestyle of intimacy and mission.

We are a grassroots movement of ordinary believers walking in a mandate from heaven to release the Kingdom of God in every neighborhood, every school and every business in Los Angeles. We are the church.

We want to meet with you and talk about what the Spirit of God is saying about city-wide collaboration to complete the Great Commission in this generation.
